- Status: Available

Property Description

OROTINA LOT – Super reduced price A great opportunity to own a large, fully buildable 3,560 m² lot located in Limonal, Orotina, inside the beautiful Quintas Palma Real community. Price: \$119,000 (around \$33.50 per m²) Code: 23TG23 I'm happy to present this spacious 3,560 m² lot, very well located in Limonal, Orotina, within the quiet and well-known quintas community Palma Real. It's the kind of place where people build their weekend homes, family houses, or peaceful countryside retreats. The neighborhood features elegant homes, quintas, and small farms, and the entire area enjoys beautiful views toward the mountains of Puriscal and the nearby Carara National Park. At the same time, it's conveniently located just a few minutes from Route 27 and the center of Orotina, making it easy to reach both the city and the coast. This lot is completely buildable and generously sized, giving you plenty of space to design the property exactly the way you want it—whether that's a large home, gardens, a pool, or even a small finca.
