Property Description

Nestled on the second floor of the Centro Commercial La Plaza in the heart of Playa Flamingo, this renowned restaurant offers a rare opportunity to acquire a well-established dining destination in one of Costa Rica's most vibrant coastal towns. With a sophisticated open-air design and breathtaking surroundings, this restaurant seamlessly combines community spirit, fine dining, and global culinary inspiration. The menu is a true culinary journey, blending international flavors with the freshest local ingredients. From artisan cheeses and meats sourced from nearby farms to the freshest catch-of-the-day straight from local fishermen, every dish is crafted with care. Tropical fruits, vegetables, and spices add unique local flair, while the restaurant's extensive beverage selection—featuring full-bodied wines, craft beers, and top-shelf cocktails—enhances the dining experience. Located just walking distance from the beach, surrounded by condominiums, and close to the new Flamingo Marina, this restaurant enjoys high visibility and consistent foot traffic.
