Property Description

Welcome to Playa Callejones Beach & Creek 4 Acres Property This is a mostly flat two adjacent titled properties perfect for tree and creek lovers, as it has plenty of already grown trees, and a creek that crosses the back part of the property, creating abundant vegetation and wildlife. Conveniently located within walking distance of two of the most picturesque beaches in Guanacaste, just 500 meters north is Playa Callejones, and from there a short walk to the famous surf beach Playa Negra. Only 600 meters south is the white sand beach of Playa Blanca, both being some of Costa Rica's most serene spots, with very few visitors, and a few well-established international restaurants and basic grocery shops close by. Playa Callejones, Playa Negra, Playa Blanca, and Playa Junquillal compose a still small international community setting that is growing fast. Public water, electricity, and high-speed Internet are available.
