Property Description

Tropical Oasis with Unmatched Views of the Diamante Waterfall \$200,000 | 10,332 m² (2.55 acres) | Tinamaste, San José, Costa Rica Discover a rare gem in the heart of lush Tinamaste, where breathtaking views and untouched nature combine to create the perfect setting for your dream home or retreat. This extraordinary 10,332 m² (2.55-acre) property offers panoramic vistas of the iconic Diamante Waterfall—one of the most majestic natural landmarks in Costa Rica. Imagine waking each morning to the soothing sound of cascading water, surrounded by vibrant jungle and immersed in pure tranquility. This property is truly a sanctuary for those seeking peace, privacy, and a deep connection to nature. ? Property Highlights: Expansive, buildable land ideal for a custom-designed home or private retreat Stunning, unobstructed views of the Diamante Waterfall Lush jungle surroundings teeming with wildlife, including tropical birds, monkeys, and other native species Private stream on the property with its own small waterfall—a perfect spot for refreshing swims or quiet reflection Peaceful and secluded, yet close to the charming town of Tinamaste Although the property does not yet have legal water rights, the most practical and widely used solution in this area is the installation of an artisanal well, providing a reliable water source for future development.
