📍 Perez Zeledon, San Jose

Property Type: Single Family Homes • Bedrooms: 4 • Lot Size: 6992 Square metres •

- Status: Available

Property Description

Discover this unique home with a separate studio apartment and refreshing pool, nestled in the lush hills of Santa Elena, Pérez Zeledón. This sought-after region is known for its pleasant, spring-like climate year-round and fertile soil, making it perfect for permaculture, homesteading, or your own food forest. Set on 1.7 acres (6,990 m²) with direct public road access, this property offers space and flexibility for your dreams: ? Opportunity for subdivision and additional builds ? Two separate entrances for versatile access ? Two serene fish ponds ? Established fruit trees already producing in your garden Plus, the property is within walking distance of the RISE Community, offering a vibrant, supportive environment for families, visionaries, and investors seeking to be part of a growing, sustainable community in southern Costa Rica. Whether you're looking for a private paradise, an investment property, or a place to bring your vision to life, this Santa Elena property offers it all under ideal conditions.
