Property Description

This two-level residence is located in a gated community and is located within walking distance to the area's most beautiful beach (Playa Hermosa), a private school (The Journey School), and one of the area's newest and best restaurants. The solid construction features an attached carport, a great room, and a half bath on the ground level and two bedrooms on the second level. The second level also has two full bathrooms, one of which is an en suite in the master bedroom. Upstairs also features a TV area with a foldout bed. There is also a fenced yard and private pool in the back, which faces the forest. The property has been extremely well maintained and has turnkey Costa Rica real estate management in place, which would be very practical for an off-site owner. The gated community is zoned residential and also has a common area pool and green zones. The construction finishes of the villa are of high quality and excellent craftsmanship, and the villa is being sold fully furnished and turnkey.
