Property Description

Discover a breathtaking natural sanctuary spanning 113 acres in Bijagua, Upala, where nature thrives in perfect harmony. Located in close proximity to the stunning Río Celeste—one of Costa Rica's most iconic natural attractions—this property offers a unique opportunity to live or invest near a destination that draws nature lovers from around the world. It's an ideal setting for conservation projects, sustainable tourism, or a private eco-retreat immersed in pristine wilderness. This property features lush forests, rolling hills, and flat areas, perfect for both development and preservation. Natural springs and crystal-clear rivers provide sustainable water sources, while the land supports a rich variety of wildlife, including mammals, birds, and reptiles. The vegetation is equally diverse, flourishing with palms, ferns, bromeliads, and orchids. Additionally, its strategic location near the center of Bijagua ensures convenient access to local shops, essential services, and main roads—offering both seclusion and accessibility.
