Property Description

Welcome to a coastal oasis where luxury meets functionality. This newly constructed home, thoughtfully designed with seismic construction, is now beautifully furnished, offering an elegant and modern ambiance throughout. Enjoy panoramic sunrise and sunset views, all just moments from the area's best surf breaks. The residence features two spacious ensuite bedrooms, 1.5 bathrooms, and two expansive patios, creating a seamless flow between refined interiors and relaxed outdoor living. Inside, the home showcases striking all-heart black Guanacaste wood beams, matching wood floors, and custom solid wood cabinetry and doors—each detail reflecting the builder's unwavering commitment to quality and craftsmanship. The décor enhances these finishes with a sophisticated, contemporary feel that is both welcoming and stylish. Step outside to an 8-foot-deep pool, perfectly positioned amid lush surroundings, offering a peaceful retreat immersed in nature.
