Property Description

"A spectacular 5,000-square-meter lot is for sale in beautiful Villa Nueva, Quepos, Costa Rica. This unique property offers an exceptional opportunity to build your dream home in a natural and tranquil setting. The lot features multiple ready-to-build homesites, making it easy to design and build your ideal home. It also has utility services at the front, further simplifying the development process. Lush vegetation with large trees creates a cool and serene environment, perfect for those looking to live in harmony with nature. At the end of the property, a charming creek adds a special touch, providing the soothing sound of flowing water and a peaceful atmosphere. The location in Villa Nueva offers a perfect balance between rural tranquility and proximity to the amenities of Quepos, making it an ideal choice for families, couples, or investors looking for a retreat in paradise."
