Property Type: Land • Lot Size: 3982 Square metres •

- Status: Available

Property Description

Discover a rare opportunity to own a breathtaking 3,982 sqm (0.98-acre) property nestled in the lush mountains of Costa Rica in La Alfombra. Situated 700 meters above sea level, this property offers a perfect blend of natural beauty, tranquility, and accessibility, making it an ideal investment for those seeking a serene retreat or a sustainable living space. Exceptional Location & Climate Located just minutes from Tinamaste, this property enjoys a mild and pleasant year-round climate. The elevated position ensures cooler temperatures compared to coastal areas, offering refreshing breezes and a comfortable atmosphere throughout all seasons. Tinamaste is known for its welcoming community, excellent local markets, and access to essential amenities, including quality schools and shopping options. Breathtaking Natural Surroundings With spectacular mountain views stretching across the horizon, this property immerses you in the heart of Costa Rica's natural paradise.
