Property Description

Exceptional Hilltop Residence in Santa Teresa Freshly Renovated Luxury with Unmatched Location Perched atop the lush hills of Santa Teresa, this extraordinary six-bedroom residence, designed by renowned architectural firm Studio Saxe, seamlessly integrates contemporary design with the surrounding tropical landscape. Freshly renovated in 2024 and 2025, the home now offers an elevated standard of luxury and comfort, ensuring both modern convenience and timeless elegance. The architectural concept embraces the dramatic topography, with private bedroom suites subtly embedded into the hillside, allowing the upper-level living areas to command breathtaking panoramic ocean views. Expansive floating terraces and an infinity pool extend seamlessly from the main living space, blurring the boundaries between indoor and outdoor living. Designed by Benjamin G. Saxe, founder and Design Director of Studio Saxe, this residence exemplifies the power of tropical architecture to blend durability with openness, using concrete as a key material for longevity while maintaining an intimate connection with nature.
