Property Description

If what you are looking for is a property with an excellent location and close to everything, here it is. This 3900 square meter lot is located at the entrance to Jiuberts the famous Seafood Restaurant. A very short time ago the street was paved in the entire neighborhood of Finca Los Alfaro, leaving this property with 2 accesses to the city center. The busiest highway in Quepos is the route that connects the city with the Hospital for several reasons, firstly because more than half of the population lives in the neighborhood of La Inmaculada, and also because it is the route to the airport. and from this point you can take the inter-american highway is to go to the south of the country.
