Property Type: Land • Lot Size: 28734 Square metres •

- Status: Available

Property Description

This beautiful farm is located just 1 kilometer from the center of Quepos on Route No.34 that connects Quepos with La Inmaculada. With a special mixed topography for the development of sustainable projects friendly to the environment and ecotourism. (It has pastures, fruit and ornamental trees). It has 58 meters of road frontage and its topography is irregular with a beautiful mountain from where you can see the ocean. You enter through the illuminated public street that leads to the famous Jiuberts Restaurant. Espadilla beach and Manuel Antonio National Park are only 7 km away (National Park No. 1 in Costa Rica) The greatest thing about this property is that you can also get to the Airport and Quepos Hospital in just 5 minutes.
