Property Description

Beautiful jungle property near Playa Hermosa Discover a truly special property in Playa Hermosa, surrounded by the lush nature of Costa Rica's Central Pacific. This property sits on 6,014.23 m² of land, with about 225 m² of construction, making it perfect for anyone looking for privacy, nature, and a peaceful lifestyle. The land is full of tropical plants, pineapples, and different fruit trees, giving it that authentic jungle feel. It's the kind of place where you wake up to the sounds of nature and fresh air all around. The house is two stories and very solidly built, with beautiful exposed wooden beam ceilings that give it a warm and natural style. From different parts of the home you can enjoy nice views through the trees and toward the nearby river, which adds to the relaxing atmosphere. Inside, the layout is open and comfortable, with a modern kitchen connected to a large living area, making the space feel bright and connected with the outdoors.
