Property Description

The property is located in the heart of Los Yoses, in the eastern sector of the Central Valley, making it a great Costa Rica real estate investment. It offers investors and entrepreneurs an opportunity. Situated in an area with high pedestrian and vehicular traffic, the property is ideal for commercial or business projects that require visibility and easy access. The land is flat with high quality and impeccably maintained construction. The layout is versatile for housing, restaurants, offices, medical centers, embassies, or others looking for a high profile, visible location with easy access. It is located near Barrio Escalante and the main routes. Accessibility has excellent connections for nearby public transportation. This property is interesting because its location guarantees a constant flow of clients and maximizes a business's exposure. This property has large gardens and access from three sides.
