Property Description

Biophilia Nature Preserve – A 69-Acre Tropical Oasis in the Central Pacific Nestled within the heart of the Central Pacific Biological Corridor, Biophilia Nature Preserve offers a unique opportunity to own 69 acres of pristine natural beauty. Featuring abundant streams, majestic cascades, and a breathtaking waterfall carved into bedrock, this property is a true haven for nature lovers. The extensive trail system winds through the preserve, which has been thoughtfully reforested with endangered native hardwoods and tropical fruit trees. The property boasts 400 meters of road frontage, electricity access, and a gravity-fed water concession. Located just 1 hour from Puriscal, a town offering all modern amenities, and 2 hours from the stunning Pacific beaches, this preserve is perfectly situated for those seeking seclusion without sacrificing convenience. A rustic rancho-style home with solid structural bones is ready for remodeling, complete with a large parking area.
