Property Description

A must visit place when in Costa Rica, this sanctuary was named the 'Wetland of International Importance' in 1991 and is one of the most significant humid zones in the country. Designated a 'world protected area' by conservation groups like Ramsar; Caño Negro is home to several the world's rare plant, animal and bird species. In the remote Northern area of the country in Caño Negro Costa Rica, Caño Negro Natural Lodge offers a relaxing place to stay, immersed in Costa Rica's natural wonders. The properties enveloped by tropical flora and the hotel offers a selection of great nature tours. Such as a wetlands boat tour, a conservation tour, a bird sanctuary tour and a canoeing tour. The facilities are new and modern, and the grounds are a fragrant garden of beautiful tropical plants. The Hotel is right by the Caño Negro Lagoon and the Rio Frio. Caño Negro Wildlife Refuge named a "Wildlife Area of International Importance" in 1991.
