

Land For Sale

📍 Santa Ana, San Jose

\$200,000

Reference: 1095472834

Property Type: Land • Lot Size: 2000 Square metres •

- Status: Available

Property Description

This is a beautiful lot found in the residential of Montana Luna. The residential is found in the hills of the Rio Oro, distinguished for Santa Ana homes for sale. The area consists of cool consistent weather and nice views. This lot is one of the last large ones in the Montana Luna development as 2,000 square meters. The lot has some nice trees and can be segregated into two lots. The lot is located in the backside of the area for more privacy. The residential boasts mature trees, good access roads, security, and a good location. This is an opportunity of a nice piece of property located in a desirable residential.
