Property Type: Land • Lot Size: 4582 Square metres •

- Status: Available

Property Description

Discover your tropical paradise in London, Costa Rica This magnificent 4,582 m2 lot offers you a unique opportunity to build your dream in a natural and quiet environment, just 20 minutes from the vibrant center of Quepos. Located in a residential neighborhood with easy access to essential services such as the local school, this land is the perfect canvas for your next project. Featured Features: Privileged location: Just 100 meters from the river, but elevated on a hill, which guarantees privacy and security against possible floods. Spacious and versatile: With 4,582 m2 of land, you have more than enough space to build your dream home, a vacation home or even a low-impact residential development. Connectivity: Two independent accesses give you greater flexibility and convenience. Friendly Community: Enjoy the tranquility of a residential neighborhood, steps from a local restaurant famous for its delicious chicharrones and a convenience store.
