

Land For Sale

📍 Mora, San Jose

\$199,000

Reference: 1061626130

Property Type: Land • Lot Size: 1775 Square metres •

- Status: Available

Property Description

This lot is one of the best lots in Cerro Colon found at the top of phase 1. The lot is of great terrain for building and has unobstructed views. This property is also one of only a few found at the top of the cul de sac where the development ends ensuring for utmost privacy for your future home. The property is found in phase one of the development where the casa club and swimming pool are located. The property also butts up to the nature trail of the condominium and has the sound of the adjacent stream just off to the side. If you are looking to build in Cerro Colon this lot is a prime piece of property.
