Property Description

CODE: 23TG05 I just love this 4-bedroom house! It has two stories. Sits on a big plot right on the beach. The best part? Its located at the mouth of a creek that flows all year round in Playa Agujas. This house is great for families, retirees or as a vacation rental. You could even use it for water sports. The garden around the house is full of trees that provide plenty of shade. The village is a beach town with local fishermen and lots of farms nearby. The property has an open garage for two or more cars. There's also a house for a caretaker behind the main house. All the paperwork is up to date because its, in a municipal area. Some extra details: This property is sold as is and comes with all the furniture.
