Property Description

Experience the pinnacle of coastal living in this stunning two-story modern estate, perfectly perched at an elevation of 500 feet in the mountains of Dominicalito. This 3-bedroom, 3-bathroom sanctuary offers unparalleled privacy, situated on more than 12 acres of breathtaking primary jungle. Designed to blend contemporary luxury with the tropical beauty of Costa Rica, the home features expansive views of the Pacific Ocean and the surrounding mountain ridges. The property serves as a vibrant corridor for local wildlife, where daily life includes sightings of monkeys, sloths, toucans, and parrots right from your terrace. The residence is centered around a refreshing swimming pool, ideal for soaking in the tropical sun while enjoying the canopy views. Reached by a private driveway, the home offers a sense of total seclusion, yet it remains incredibly accessible. A short five-minute drive down a well-maintained gravel road brings you to the paved coastal highway and the serene shores of Playa Dominicalito which is great for surfing, swimming, and beach walks.
