Property Description

Spanning approximately 17,536 m² (4.3 acres), the property presents outstanding potential as both a boutique hospitality venture and a private sanctuary. Thoughtfully integrated into the natural landscape, the estate includes seven standalone cabins, each furnished and complete with its own private bathroom. The cabins are strategically positioned to ensure privacy, comfort, and a strong connection to the surrounding environment, creating a tranquil experience for guests or residents alike. At the heart of the property, a spacious BBQ rancho and pool provide the perfect setting for gatherings, where panoramic ocean vistas enhance every moment. A second rancho, complete with storage and a full bathroom, offers a flexible space ideal for hosting yoga sessions, wellness retreats, or special events. The infinity-edge ocean view pool is beautifully designed to merge with the horizon, delivering a peaceful retreat to unwind while enjoying the scenery.
