Property Description

Just 200 meters from the world-renowned Marino Ballena National Park, Casa Ohana offers the perfect combination of tropical elegance and contemporary design. This 3-bedroom, 3.5-bath villa features an open-concept layout that seamlessly blends indoor and outdoor living spaces, creating a true Costa Rican luxury experience. Built with the highest quality materials and customized teak furniture, the villa is surrounded by professionally designed landscaping and is ready for you to move in and enjoy the comfort of a five-star retreat. Inspired by Ibiza's contemporary style with earthy tones and natural textures, Casa Ohana invites you to relax by the pool, where toucans and exotic birds frequent the lush gardens. The villa's construction took nearly two years, ensuring the utmost attention to detail. Built with solid concrete block structure, it maximizes airflow, respects mature trees, and incorporates natural light, privacy, and proper drainage throughout the property.
