Property Description

Discover an exclusive beachfront property in El Roble, Puntarenas, where privacy, spacious living, and coastal lifestyle come together in a unique tropical setting. With direct beach access and a generous 2,884.76 m² (0.71-acre) lot, this residence offers an exceptional opportunity for residential living, vacation use, or investment on Costa Rica's Pacific coast. The property features approximately 400 m² (4,305 sq ft) of total construction, including the main residence and an additional guest/service house, thoughtfully designed to enjoy the surrounding natural environment and oceanfront atmosphere. On the main floor of the primary residence, you will find spacious open-concept living and dining areas connected to a functional open-concept kitchen, creating a comfortable flow ideal for entertaining and everyday living. This level also includes 3 bedrooms and 2 full bathrooms. The second floor is dedicated to a large open-concept master suite featuring a private bathroom with jacuzzi, walk-in closet, and balconies on both sides, ideal for enjoying the ocean breeze and tropical surroundings.
