Property Description

Discover a hidden gem in Costa Rica—a 154-acre (62-hectare) property featuring lush rainforest, open pastures, and two well-maintained Houses. This unique estate offers 5.5 kilometers of trails winding through the forest, connecting to serene lakes and crystal-clear springs. The property is a haven for wildlife, home to three species of monkeys, wildcats, and over 225 species of birds. The property is situated only 7 kilometers away from the breathtaking Río Celeste, 14 kilometers from Bijagua, and just an hour and 20 minutes from Liberia International Airport. This property has all essential services, including electricity, water, internet, and cable. The sale includes a fully serviced 2007 Toyota 4Runner 4x4 and a Polaris 4x4, providing everything you need to explore and enjoy this natural paradise. This property is a true treasure, ideal for developing a hotel or as a private residence.
