Property Description

Casa Fleur de Lis is located in the private community of Rancho Manuel Antonio and has lovely ocean, valley, and jungle views. This newly constructed home offers jungle living with modern amenities and is located in a peaceful and private environment. The expansive kitchen and family room open to the pool with floor to ceiling handcrafted teak sliding doors that invite calming ocean breezes all year long. The master bedroom is located on the main floor and has its own access to the huge stone terrace around the large pool which is adjacent to the bar and barbecue area. The top floor has two bedrooms each with their own private bathroom, large balconies, and a common living room. The downstairs is a great private guest quarter with a large sitting area and its own bathroom. Casa Fleur de Lis is great as a private residence or as an income producing rental property. The kitchen and family room open to the pool with the floor to ceiling handcrafted teak sliding doors inviting the breeze from the ocean all year long.
