Property Description

How would you like to live in your own countryside refuge where you can rest from day one, design your retirement home, and watch the sunrise with a view of the Arenal Volcano? This 3,271 m² property located in San Luis de Florencia, San Carlos, is the ideal setting for those seeking the true luxury of rest, privacy, and free contact with nature, without the complications of starting a piece of land from scratch. Unlike other vacant lots on the market, this land is ready to be enjoyed with family. It features a spacious covered ranch for activities and gatherings, a full bathroom, and a kitchen area equipped with an Argentine-style design grill. It is the perfect spot for hosting weekend barbecues, spending coffee afternoons with friends, or camping under the stars with total comfort and safety while you plan your future projects. ? Unique Highlights & Property Features: This land stands out for its versatility and its excellent conditions for residential or tourism development: ? Flexible Development Potential: Thanks to its topography and large acreage, the property offers an optimal, clear area to build one or several homes.
