Property Description

Wake up to the sound of the Caribbean and breathtaking ocean views from this one-of-a-kind elevated wooden home nestled among the trees in the heart of Cahuita, one of Costa Rica's most beloved coastal towns. With the beach and the town center both just a short walk away, this property offers the perfect blend of natural tranquility and everyday convenience, a combination that is truly hard to find at this price point. The HomeBuilt from warm, character-rich wood and raised off the ground, the house is surrounded by lush, mature trees that provide shade and privacy while keeping you connected to the natural beauty of the Caribbean coast. The elevated design allows for refreshing airflow throughout and frames stunning ocean views from multiple living spaces, including the kitchen — making even your morning coffee feel like a retreat. Outdoor Living at Its Finest The crown jewel of this property is the expansive covered porch, where you'll find a dining table perfect for al fresco meals and even a dedicated sleeping area for those who prefer to drift off under the stars — without leaving the comfort of a roof overhead.
