📍 San Jose

\$3,500,000

Reference: 1102561446

Property Type: Land • Bedrooms: 3 • Lot Size: 136000 Square metres •

- Status: Available

Property Description

Unbeatable Location Located in Bijagual, one of the most coveted areas for development in Costa Rica, this 136-hectare farm combines natural beauty with a strategic location. The property is located just minutes from the main highways and beaches of the Central Pacific, offering convenient and quick access to essential services and tourist attractions. **Natural Features - Rivers and Creeks:** The farm has multiple water sources, including crystal-clear rivers that run through the land and offer a calm and refreshing environment. **- Hills and Landscapes:** Its gentle hills provide ideal land for building, combining spectacular views with the privacy that many seek. **- Panoramic Views:** Enjoy stunning views of the Pacific Ocean, the surrounding valley, and the majestic mountain environment. **Development Potential** This property is ideal for tourism projects, luxury residential, or eco-lodges.
