Property Description

LOTES & QUINTAS HACIENDA SYLVARA BAGACES GUANACASTE Welcome to Hacienda Sylvara, an exclusive eco-conscious community located in the heart of Bagaces, Guanacaste, Costa Rica. Designed for those seeking a healthier, more balanced way of life, this unique development combines natural beauty, sustainability, wellness, and long-term investment potential. More than 75% of the property is preserved as protected green space, allowing residents to enjoy an authentic connection with nature while benefiting from breathtaking views of the Guanacaste volcanic mountain range and the biodiversity of the nearby Cuipilapa River. Experience a community focused on wellness, featuring nature trails, yoga and meditation areas, peaceful gathering spaces, and a community garden that encourages healthy living and meaningful connections among neighbors. The project is powered by solar energy, promoting environmental responsibility and energy independence.
