Property Type: Land • Lot Size: 5000 Square metres •

- Status: Available

Property Description

Discover the opportunity to own a piece of Costa Rica's natural beauty at Pura Jungla Reserve, an exclusive collection of titled homesites within the tropical landscape of Paraíso, Guanacaste. Located within the Pura Jungla Preserve, these thoughtfully positioned homesites are surrounded by native forest, rolling terrain, and the peaceful sounds of nature, creating an ideal setting for a private residence, vacation retreat, or long-term investment in one of Guanacaste's most desirable regions. Starting at \$100,000, these generously sized lots offer a rare combination of privacy, natural beauty, and accessibility. The elevated landscape and lush surroundings provide expansive tropical views and a true connection to nature while remaining within easy reach of modern conveniences and some of Costa Rica's most celebrated beaches. The aerial views showcase the property's exceptional setting, where tropical forest stretches toward the Pacific coastline.
