Property Description

Are you dreaming of a home where your children can grow up surrounded by spacious green areas, or are you looking for the perfect refuge to enjoy an active retirement developing your passions in the heart of nature? This property, located in the peaceful neighborhood of INVU in San Isidro de Peñas Blancas de San Ramón, is the perfect setting for those who long for a healthy, peaceful lifestyle in constant contact with the region's natural environment. The residence features a functional layout that includes 3 bedrooms, 1 bathroom, an indoor social area, and a comfortable outdoor terrace ideal for relaxation. Equipped with the immediate availability of all essential public utilities, the house is ready to be inhabited while you plan the growth of your future projects. The true treasure of this property is found outdoors. The land stands out for its 100% flat topography and an expansive size of over 1,000 m² of free space.
