

Land For Sale

📍 Parrita, Puntarenas

\$449,000

Reference: 1175511470

Property Type: Land • Lot Size: 612501 Square metres •

- Status: Available

Property Description

The property has a total of 61.2 hectares (151.3 acres), This estate in Chires, is positioned along the scenic route connecting Parrita and Puriscal. This legacy property seamlessly unites pristine wilderness, lucrative investment potential, and incredible panoramic views into one property, making it an exceptional Costa Rica luxury investment for discerning buyers seeking long-term value and exclusive opportunities. Topography & Panoramic Vistas: The land is a masterful blend of rolling hills, solidly fenced pastures, and prime development sites. Three spectacular, naturally leveled hilltops serve as the property's focal points, offering full 360 degree views. Standing as the highest elevation between the property and the coastline, the estate delivers an unencumbered visual sweep of the Pacific Ocean stretching from Manuel Antonio to Jacó paired with the majestic backdrop of the Cordillera de Talamanca.
