Property Description

Are you dreaming of a sustainable lifestyle surrounded by Costa Rica's world-renowned biodiversity? This magnificent 10-hectare (25-acre) property offers the perfect blend of raw natural beauty and accessibility, making it the ultimate sanctuary for retirees and eco-conscious investors. Why this property is a hidden gem: Prime Location: Accessible via a paved public road, ensuring a smooth drive to your private oasis year-round. A Living Legacy: The estate features vast primary forest and sustainable reforested areas with Teak, Laurel, and Melina trees—a natural investment that grows with you. Water & Wildlife: Two crystal-clear streams run through the land, attracting exotic birds and wildlife right to your doorstep. Nature at Your Pace: Explore your own private jungle through established nature trails that wind through the forest. Ready for Your Vision: Equipped with electricity, a rustic gazebo (rancho), and secure fencing, the property is ready for a custom eco-villa, a boutique lodge, or a sustainable ranch.
