Property Description

Nestled in a beautiful natural environment between two valleys, it has everything you need to have a unique lifestyle. Perfect location and elevation allows you to enjoy the world's best weather. Be captivated by the incredible views offered by this community. Let your imagination go wild on this 1/2 acre land and design your own tropical lifestyle. The lot has 88,5 feet front, facing the main road with mountain views, and 295 feet deep facing the ocean view, ideal for an infinity pool... If you're thinking of eco living, this area has an average of 5 to 6 hours of daily solar incidence, which is very attractive to produce your own solar energy. Located just 12 minutes from Orotina, 30 minutes from Atenas and 40 minutes from the Central Pacific, you could enjoy the incredible peace and tranquility of the area, without being far from shops and commerce. You could literally have a cup of coffee at home in the morning, lunch by the sea, and return home in time to enjoy the colorful sunset with a glass of wine.
