Property Description

Pacifico Colonial 2 South offers owners an exceptional opportunity to experience the very best of Manuel Antonio from one of the area's most sought-after locations. Perched at the highest point of Manuel Antonio, the building boasts truly unparalleled ocean views. From the expansive balconies, residents enjoy breathtaking panoramic vistas that seamlessly blend the vibrant jungle canopy below with sweeping 180-degree views of the Pacific Ocean. Year-round sunsets, abundant wildlife, and the dramatic mountain ranges that frame this spectacular stretch of coastline create an ever-changing natural backdrop. Equally impressive is the property's prime location, which provides rare, flat walking access to the area's restaurants, shops, services, and attractions, an uncommon luxury in Manuel Antonio. The residence itself features a spacious and elegant three-bedroom floor plan designed for both comfort and relaxation.
