Property Description

Ionic Eden Cacao Estate is a 26-hectare property near Guacimo, Limon, Costa Rica, that includes an onsite cacao orchard with refining and storage structures, 2 homes for staff and visitors, and a warehouse for packaging, storage and shipping. The property is an opportunity to hold a verdant portion of Costa Rica, while taking advantage of the popularity of cacao as the core ingredient in chocolate, and as a powder, in wellness supplements. Its thousands of planted trees, maturing and producing, along with additional unplanted land, offers the opportunity for growing commercial enterprise, well-suited to the area's climate.
