Property Description

Located in the historic and iconic neighborhood of Barrio Amón, one of San José's most architecturally and culturally significant areas, this property enjoys a prime location just a few blocks from downtown San José. Its excellent connectivity provides quick access to public and private institutions, banks, universities, hospitals, restaurants, shopping centers, and a wide variety of services. Built on a 401,96 m² (4,327 sq. ft.) lot with 440 m² (4,736 sq. ft.) of construction, this Art Deco-style property, originally built in 1940, was expanded and extensively renovated in 1994, including upgrades to its electrical, plumbing, and hydraulic systems while preserving the architectural character that makes Barrio Amón so distinctive. Thanks to its spacious layout and excellent infrastructure, the property represents an outstanding opportunity for the development of a city hotel, boutique hotel, student residence, Airbnb, executive offices, or any short- or long-term accommodation project.
