Property Description

Introducing El Diablito Mexican Restaurant, a beautifully designed turnkey commercial property located in the heart of Playa Potrero, one of Guanacaste's fastest-growing beach communities. Situated on a 480 m² property and offered at \$600,000, this fully established restaurant presents an outstanding opportunity for investors, restaurateurs, or entrepreneurs looking to own a successful hospitality venue in Costa Rica's thriving Gold Coast. Own the real estate and the business. Designed with authentic character and modern functionality, the restaurant immediately captures attention with its striking stone façade, inviting covered terraces, and vibrant architectural details. The thoughtfully designed layout creates a welcoming atmosphere for both locals and tourists, while the open-air concept embraces Costa Rica's year-round tropical climate. Inside, the restaurant offers a warm and welcoming atmosphere with beautiful wood accents, vaulted ceilings, handcrafted details, and generous seating for both intimate dinners and larger groups.
