Property Description

Discover Homesite A15, an exceptional opportunity to build a custom residence in Guanavista, an exclusive gated community in Playa Ostional, Costa Rica. Priced at \$594,500, this spacious 2,630 m² (0.65-acre) property borders a protected green zone, offering privacy, natural beauty, and potential second-story ocean views. Located less than 400 meters from the shoreline, the homesite provides a genuine connection to Costa Rica's coastal environment. The rhythmic sound of the waves and surrounding tropical landscape create a peaceful, immersive setting. The generous terrain offers flexibility for a variety of architectural concepts, including an expansive main residence, guest accommodations, tropical gardens, and inviting outdoor living areas. A thoughtfully designed two-story home could capture ocean sightlines while embracing natural light, refreshing breezes, and the surrounding environment.
