Property Description

Villa Ferrari, as its name suggests, is truly in a league of its own. Located within Guanavista, an exclusive 76-acre gated community in Playa Ostional, this exceptional estate sits just 200 meters from the nesting turtles and world-class waves of the Pacific. Its elegant villa-style architecture creates a seamless flow between refined interiors and resort-inspired outdoor living. Nearly every room and window captures a distinctive view of the ocean and coastline below, while the poolside entertaining area provides an unforgettable setting for relaxing and gathering. Guanavista is thoughtfully designed around Costa Rica's pura vida lifestyle, preserving approximately 80% of its land as green space. Planned amenities include private nature trails, an ocean-view clubhouse, a swimming pool, restaurant, wellness and fitness spaces, coworking areas, tennis and pickleball courts, and a retail village.
