Property Description

*** PRICE REDUCED - ORIGINALLY \$899,000 *** Villa de Oro is a high quality custom home built by one of the top builders in the area. Located in the prestigious Pacific Heights neighborhood, among other million dollar homes, Villa de Oro is perfectly situated to take full advantage of the vast ocean view. Upgraded features can be found throughout this 3,400 square foot (316 sq meter) home, like terracotta-style flooring, copper entry roof, teak ceilings, exposed beams, and custom molding throughout. The kitchen offers stainless steel appliances, granite countertops, exotic hardwood bar top, custom wood cabinetry, ambient cabinet lighting, gas range, and a wine fridge. The master bedroom suite is beautifully enhanced with vaulted teak ceilings, large windows, en suite bath with a marble shower, stone countertops with vessel sinks, and a Jacuzzi tub with a big picture window and stained glass lamp hanging above.
