Property Description

Completed in February 2024, Casa Mistral is a striking luxury residence set within the lush hills of Pacific Heights, offering a rare blend of architectural sophistication, privacy, and sweeping Pacific Ocean views. Positioned on an expansive 11,000 m² (2.71-acre) property, the home enjoys three distinct ocean vistas framed by mature tropical jungle. The main residence features three spacious bedrooms and three-and-a-half bathrooms, finished with premium materials including travertine marble floors, solid teak doors, and custom teak cabinetry. Thoughtfully designed for comfort and efficiency, the home includes double-glazed windows, electric curtains, a water softener system, and high-end fixtures throughout. Floor-to-ceiling openings connect the interior to an expansive terrace, ideal for entertaining or relaxing at sunset. A 50 m² saltwater infinity-edge pool anchors the outdoor living area, offering panoramic ocean views and complete tranquility.
