Property Description

Located within the private community of Altos de Flamingo in Playa Flamingo, this 851 m² residential lot offers an excellent opportunity to build a custom home in one of the area's premier hillside locations overlooking the Pacific coastline. Positioned to capture expansive ocean views and year-round sunsets, the property provides an ideal setting for a future vacation residence, retirement home, or full-time coastal living designed around Costa Rica's relaxed indoor-outdoor lifestyle. The zoning allows for the construction of up to three residential units, creating flexibility for buyers interested in designing a spacious family compound, guest accommodations, or a thoughtfully planned multi-residence property for personal use. Altos de Flamingo is known for its elevated setting, privacy, and convenient access to Playa Flamingo, the new Flamingo Marina, restaurants, shopping, and nearby beaches along Guanacaste's North Pacific coast.
