Property Description

Discover Finca Floryal, a 21+ acre working farm and development property in Gavilan, Dos Rios, Upala, with stunning volcano views and access to nearby waterfalls. The property features a 2-bedroom, 2-bathroom rustic farmhouse built in 2003 with living areas, laundry room, and carport, plus outbuildings for cheese processing, a smoker, pig barn, and large corral. Fifty divided and fenced pastures with irrigation, cement walkways, and a sand pit support cattle operations. Two rivers cross the land, home to toucans, parrots, quetzals, jaguars, and pumas. Twenty of the fenced acres face the main road. Just 5-10 minutes from Blue River Resort Hot Springs and close to La Sensoria and El Santuario waterfall.
