Property Description

Unique opportunity: a 2-hectare (5-acre) Ocean View Legacy Farm in Dominicalito Hills, one of the most desirable coastal areas on Costa Rica's Southern Pacific. This exclusive estate features large usable build sites, natural privacy, and expansive panoramic ocean views — ideal for a private luxury residence, family compound, or boutique development. Highlights Size: 2 hectares / 5 acres Wide panoramic ocean views from the main build site Natural waterfall on the property; Poza Azul waterfall nearby Large, usable, buildable areas with flexible topography Public access road bisecting the estate, creating two distinct sections — offers planning flexibility Lush tropical vegetation providing privacy and seclusion Peaceful environment with mountain and coastal breezes Strong potential for high-end residential development or a thoughtfully planned investment project Why this property stands out One of the few remaining large ocean-view estates in Dominicalito.
