An aerial photograph of a tropical landscape. In the foreground, there is a small village with several buildings featuring red-tiled roofs. To the left of the village is a rectangular green field, possibly a sports field. The middle ground is dominated by a lush green golf course with several fairways and a prominent green that slopes down towards the water. The background shows a blue ocean meeting a blue sky with scattered white clouds. The entire scene is framed by a thick layer of green tropical forest.
