 Puntarenas

Property Type: Single Family Homes • Bedrooms: 2 •

- Status: Available

Property Description

Located in a privileged natural setting of Villa Nueva de Quepos, this charming property offers a unique living experience in the heart of Costa Rica's Central Pacific. Surrounded by lush tropical vegetation, the house blends harmoniously with the landscape, providing an environment of absolute peace, privacy, and connection with nature. The property allows you to enjoy a serene lifestyle, where each day begins with the singing of birds and the presence of the diverse fauna that characterizes this region. It is a perfect place for those looking to escape the fast pace of the city and live surrounded by natural beauty. Property Highlights: Ample space ideal for comfort and privacy Strategic location with easy access to restaurants and supermarkets Just 15 minutes from the Marina Pez Vela, one of the most exclusive destinations for sport fishing, gastronomy and recreational activities in Quepos Just 20 minutes from Manuel Antonio National Park, recognized worldwide for its paradisiacal beaches and impressive biodiversity Natural environment that offers tranquility, privacy, and contact with the flora and fauna of the area Strategic location near Quepos and a few minutes from Manuel Antonio National Park, one of the most emblematic destinations in Costa Rica, makes this property an excellent opportunity for both private residence and real estate investment in one of the most attractive tourist areas of the country.
