Property Description

Discover an exceptional investment opportunity in the heart of Bahía Ballena, one of Costa Rica's fastest-growing and most desirable coastal communities. This impressive 1,500 m² (16,146 sq. ft.) flat lot offers the perfect setting for a private residence, luxury vacation home, boutique hotel, rental villas, or a long-term real estate investment. Conveniently located next to Bahía Green Nursery (Vivero Bahía Green), the property enjoys excellent accessibility while maintaining the peaceful atmosphere that makes the Southern Pacific region so attractive to both residents and international buyers. With 25 meters (82 feet) of road frontage and 60 meters (197 feet) of depth, the lot offers a spacious and versatile layout that allows for a wide variety of architectural designs and landscaping possibilities. Its completely flat topography means the land is ready to build immediately, helping reduce site preparation costs and construction time.
